

DIWALI TOAST

“Let’s toast in the true spirit of Diwali; a spirit which should resonate with all of us, because we live in a multi-faith, multi-cultural society. We should view diversity and pluralism as blessings, assets – not as threats. The spirit of Diwali should promote unity among us. Let us all move forward from darkness to light and from ignorance to knowledge. May good triumph over the evil that stalks our land. Let each of us open our hearts and homes so that we will be filled with love, peace and harmony.

Happy Diwali!”
